EMPLOYMENT

Buyer at SFM (Dorval, Quebec)

SFM is a leading Canadian service provider for global brands within the audiovisual, live entertainment, and media production industries. We are currently looking for a Buyer to execute all procurement activities to ensure that key operational targets such as inventory turns, reductions in obsolete & aged inventory, and reduced backorder levels are achieved. The ideal candidate has good knowledge of different forecasting models, good business acumen, is customer driven, and understands the value of building relationships with key partners.

Specific responsibilities will include, but are not limited to:

Supplier Relationships

- Primary point of contact with suppliers on purchase-related matters.
- Communicate forecasted demand to suppliers in order to assist them with their Planning, as required.

Planning & Purchasing

- Analyze product demand based on qualitative (e.g. judgment) and/or quantitative (historical demand) input from Brand Manager and/or Sales.
- Assess inventory replenishment requirements while taking into account such variables as supplier lead times, minimums, volume discounts, and minimizing freight expenditures.
- Issue POs to suppliers and coordinate the effective delivery of product to satisfy demand.
- Track open POs and adjust PO quantities/delivery dates, as required.

Inventory Management

- Maintain optimal inventory levels that, in general, maximize inventory turns, minimize B/Os and minimize inbound freight costs.
- Establish and implement inventory management strategies for each product that reflects the importance of the product to the business and its stocking type.

SKU Creation & Data Integrity

- Manage SKU creation & maintenance process in the system with comprehensive input (i.e., completed template) from the Brand Managers and Logistics Coordinator.
- Oversee weights & measures data in the system for each product and work with other departments to ensure its accuracy. Keep Brand Managers advised of any changes and work with IT, as necessary, to upload any major corrections and/or updates.

Traffic/Logistics

- Work closely with the Logistics Coordinator to optimize inbound shipments when possible in an effort to minimize freight costs.

Qualifications:

- Minimum of 5 years' experience in purchasing/demand planning
- Diploma or Certificate in Supply Chain would be an asset
- Knowledge with ERP systems including forecasting module. (JD Edwards would be an asset)
- Experience with MRP
- Number driven and analytical
- Excellent knowledge of MS Office, particularly Excel
- Shows initiative, autonomy, adaptability and can handle multiple projects simultaneously
- Bilingual

If you have these qualifications and would like to join our team, you can submit your CV by mail or by e-mail to careers@sfm.ca.
